

# NSF CAREER Mock Review Panel Workshop

Presented by the Texas A&M Engineering Experiment Station (TEES) and the Division of Research (DOR)

Interested in submitting an NSF CAREER Proposal and learning how the NSF proposal review process works? A workshop will be held on **Monday, May 22, 2017, from 8:00 a.m. – 4:00 p.m.** featuring a mock review panel participation experience, with an overall program including a panel of faculty discussing the NSF proposal review process, several concurrent mock review panels in breakout rooms with a debriefing on the process to conclude the day, and time to discuss and share your CAREER project summary for review and feedback.

**This is a working session.** Participants will review actual NSF CAREER proposals before the event and come ready to participate in the panel discussions, as well as have their CAREER project summary ready to share.

To register, use the QR code below or go to:
